February 19, 2021

Jones County High School Students and Families:

The reduction in the number of students on campus has greatly aided in providing additional distance in classrooms and thereby reduced the number of students required to quarantine with each positive case, as shown in the chart below. In continued effort to provide ongoing in-person instruction, the A/B Schedule will continue through Friday, April 2, 2021.

| Jones County High School   |                    |                |             |  |
|--|--------------------|----------------|-------------|--|
|  | Date               | Positive Cases | Quarantined | Number of Students Quarantined Per Positive Case (Average) |
| Traditional In- Person   | January 11th- 31st | 22             | 329         | 15   |
| A/B Hybrid Model   | February 8th- 17th | 7              | 13*         | <2   |
| * This data includes a Dual Enrollment class that does not operate on A/B Hybrid model |                    |                |             |  |

I want to thank our students, staff, and families, for your continued support during this alteration to our traditional schedule. It is because of your efforts that our academic achievement remains strong.

Sincerely,

Mr. Lance W. Rackley  
Principal
