

TWES 2021 Summer Learning Guide

Kindergarten:

- ✓ Read to your child and ask them questions about the story. (Who was in the story, where were they, what happened, etc.)
- ✓ Have your child practice counting things this summer and counting to 100.
- ✓ Have your child practice writing their first and last name.
- ✓ Letters and sound blending/reading
- ✓ Writing a sentence or sentences (summer journal or scrapbook)

First Graders

- ✓ Read, Read, Read - anything, anywhere.
- ✓ Writing - keep a journal of summer activities.
- ✓ Practice sight words from the books sent home throughout the year.
- ✓ Use any/all of the following programs: Reading A to Z (RAZ kids), Reflex, Dream Box, Epic, Fast ForWord, etc.
- ✓ Please visit the Jones County Public Library. They have a summer reading program, special summer presentations, free computer access, etc.

Second Graders

- ✓ **Independent reading** is highly encouraged. Twenty minutes per day is recommended. It doesn't matter what you read, just READ!!
 - --While your child watches television or plays video games—try having them sometimes watch with the sound off and subtitles on!
 - --These books/series are good for you to **read aloud** to your child: Flat Stanley, Magic Tree House, Berenstain Bears, Pinkalicious, A to Z Mysteries, Cam Jansen, Frog and Toad.
 - --Join the summer reading club at one of the area public libraries!
- ✓ Have your child keep a weekly (or daily) **journal** of the activities they do over the summer. This should include drawing pictures, as well as writing sentences/paragraphs that match the picture.
- ✓ After hearing or reading a story, have your child **answer questions** about *what happened* in the story, *who* the story was about, and *where* the story happened.
- ✓ Have your child practice **addition and subtraction facts** this summer. Flash cards are extremely helpful for this!!
- ✓ **Reflex Math & Dreambox Math** will be accessible over the summer. With Reflex your child should get at least 3 “green lights” each week in order to improve fact fluency. All current TWE first graders have logins.

--Computer access is available at the Jones County Public Library, free of charge.

PLEASE SEE BACK PAGE

Third Graders

- ✓ Practice addition and subtraction facts. You may continue to use Reflex – 3 green lights each week.
- ✓ Practice multiplication facts 0-5.
- ✓ Read at least 20 minutes daily. RAZ can also be used, and students should complete the quizzes.
- ✓ Write a short paragraph about what you read OR have your child keep a daily journal over the summer.
- ✓ Moby Max (Reading, Language, or Math), Prodigy or Dreambox Math practice daily.
- ✓ **Fast ForWord Students** should complete 3 sessions each week during the summer.

Fourth Graders

- ✓ Multiplication-all facts (Reflex)
- ✓ Practice rounding and place value
- ✓ Identify parts of speech and subject/predicate
- ✓ Read at least 20 minutes daily
- ✓ Draw a picture/take a picture of an activity you complete every 1-2 weeks and write a paragraph describing the activity.
- ✓ Subscribe to our 4th Grade Youtube Summer Channel to preview topics for the upcoming year!
 - https://www.youtube.com/playlist?list=PLkViSAeniTWSWNTk3V43JACPLon4Z_y6B

Fifth Graders

- ✓ Multiplication facts and 2-digit multiplication
- ✓ 1 and 2 digit division
- ✓ Whole number and decimal place value
- ✓ English Language Arts: vocabulary and reading comprehension ie road signs, maps, menus, etc.
- ✓ Social Studies: Civil War, WW1, WW2, Civil Rights , Maps
- ✓ Science: Animal Classification
